## PROFESSIONAL SUMMARY

- Motivated medical professional with hands-on experience in various hospital departments including ICU, HDU, and general wards. Skilled in patient care, diagnostic procedures, and treatment planning. Demonstrated ability in obtaining informed consent, counseling patients, and managing case histories. Proficient in interpreting clinical investigations and coordinating with multidisciplinary teams to ensure comprehensive patient evaluation and care.

## CAREER OBJECTIVE

- To apply my medical training and clinical experience in a healthcare role where I can contribute to patient care and treatment outcomes. Aiming to utilize my skills in a challenging position that fosters professional growth and development.

## PROFESSIONAL EXPERIENCE

### General Practitioner

- **Private Clinic, Khairpur**

*July 2023 – July 2024*

- Provided comprehensive medical care in a private practice setting, including diagnosis, treatment, and follow-up for a range of conditions.
- Managed patient consultations, conducted physical examinations, and prescribed treatments based on clinical assessments.
- Maintained detailed patient records and coordinated care with other healthcare providers as needed.

### House Physician, Department of Psychiatry

- **Khairpur Medical College Teaching Hospital, Khairpur**

*April 2023 – June 2023*

- Conducted psychiatric evaluations and developed treatment plans for patients with mental health conditions.
