

DR. AREEJ SHAKIR

Nazimabad Block 1, Karachi | PMDC: 753583-02-M | areej.shakir1599@gmail.com | +923090007450

Objective

I am a highly competent and motivated doctor, with excellent clinical skills, seeking postgraduate training opportunity in a reputable institution.

Experience

FATIMIYAH HOSPITAL | SENIOR RESIDENT MEDICAL OFFICER | JULY 2023– PRESENT

Appointed as the Resident Medical Officer of ICU, and later promoted to SRMO, my duties include to provide the patients with high quality patient care in line with global standards, clerking new admissions and doing a comprehensive assessment of the presenting problem and any underlying causes, stabilize and do a timely and appropriate resuscitation of a deteriorating patient, perform lifesaving procedures such as airway management and intubations, central venous line insertion and emergency hemodialysis, order the diagnostic tests and procedures required to help formulate a diagnosis and create treatment plans, interpret the test results, conduct thorough physical examinations, prescribe medications, implement the plan and coordinate with consultants, documenting all the patient care, participating in Quality Improvement projects.

JINNAH POSTGRADUATE MEDICAL CENTRE | HOUSE OFFICER | JULY 2022 – JUNE 2023

I was rotated in the departments of **GENERAL MEDICINE** and **INTENSIVE CARE MEDICINE, EMERGENCY MEDICINE, ANESTHESIA and CRITICAL CARE, GENERAL SURGERY, ONCOLOGY and PSYCHIATRY**. My duties included providing direct patient care, including examination, diagnosis, treatment, and follow-up, collaborating with senior physicians and other healthcare professionals to ensure complete patient care, participating in daily ward rounds, maintaining up-to-date patient records, respond promptly to medical emergencies, perform necessary interventions and coordinate with emergency response teams, liaising with multidisciplinary teams, attending ward meetings and involvement in quality improvement projects to ensure quality of care given to the patients.
