## ABOUT ME

Highly skilled and newly licensed dentist seeking a challenging opportunity within a corporate setting to utilize my clinical expertise, patient-centric approach, and passion for healthcare to contribute to the growth and success of the organization while further developing my professional skills and knowledge.

## EXPERIENCE

### Clinical Experience:

- Dr. KM Akbar Dental care (Dec 2023-Feb 2024):
- Dr. Jamal's Dental Care (February 2023 To April 2023):
- Veracity Dental And Aesthetic Clinic (2 weeks Duration):

Dow Dental College | 7 September 2022 - 6 September 2023

### House Officer:

#### **At the Department of Prosthodontics (2.5 months duration):**

In the Prosthodontics department, I have learned to make complete dentures, and partial dentures, deal with post-treatment patients with follow-ups, done crown cutting, and cementation, and made temprons.

#### **At the Department of Orthodontics (2.5 months duration):**

In the Orthodontic department, many procedures have been learnt, including placing and removing O-rings, power chains, ligature wire, separators, and molar bands.

#### **At the Department of Oral and Maxillofacial Surgery (2.5 months duration):**

Here I have done open and close extractions.

I am looking forward to gaining more exposure in other diversified departments.

Jinnah Postgraduate Medical Centre | 1 March 2022 - 30 March 2022

### Internship (Surgery):

During this time I experienced extractions treated dry socket, had great exposure with patients it was a good kick start of my professional career.

Dow Dental College | 26 June 2021 – 12 July 2021

### Internship (Periodontics):

I got my professional experience during my final year of BDS, this opportunity really helped me to understand how things work in professional life. Here I got a chance to do diagnosis, subgingival and supragingival scaling and polishing.
