## Summary

A dedicated and accomplished medical professional, I cleared FCPS Part 1 on August 28, 2021, and recently completed a two-year general surgery training program (FCPS 2) at Civil Hospital Karachi in July 2023. I have also successfully cleared MRCS Part 1 in January 2024 and am preparing to take Part B in November 2024. I am now seeking a specialized training opportunity in plastic surgery at a reputable institution to further advance my career and expertise in the field. I am a hardworking and compassionate doctor with strong decision-making and communication skills. I excel in problem-solving and prioritize patient safety in all aspects of my practice.
