SUMMARY

A seasoned and committed dental practitioner renowned for their adeptness in accurate diagnosis, intricate treatment procedures, and patient enlightenment. Proficiency in leveraging cutting-edge dental technologies underscores a strong commitment to optimal patient comfort and comprehensive oral wellness. Exceptional communication skills not only foster strong patient relationships but also facilitate the delivery of holistic dental interventions

EXPERIENCE

06/2022 – 12/2023

Karachi, Sindh - Pakistan

SKILLS

General Dentist

Clifton Dental Clinic & Maxillofacial Surgery Esthetic Center Karachi

- Acquired expertise in tailoring dental care to individual patient requirements.
- Developed a keen understanding of maintaining quality and hygiene standards.
- Strengthened communication abilities by engaging with diverse patient base.
- Cultivated patient trust and rapport in a private practice setting.
- Consolidated commitment to delivering exceptional personalized oral healthcare.

04/2021 - 04/2022

Karachi, Sindh -Pakistan

House Officer

DOW UNIVERSITY OF HEALTH SCIENCES, KARACHI

- Specializes in gum diseases and supporting structures of teeth. Treats conditions like gingivitis and periodontitis, focusing on maintaining healthy gums
- Concentrates on correcting misaligned teeth and jaws. Utilizes braces, aligners, and other devices to improve dental alignment
- Deals with dental pulp and root canal treatments. Focuses on saving infected or damaged teeth by removing the pulp and sealing the root canal.
- Concerned with replacing missing teeth and restoring oral function. Involves designing and placing dental prosthetics such as dentures, bridges, and implants.
- Involves surgical procedures on the mouth, jaws, and face. Treats conditions like impacted teeth, jaw misalignments, and facial trauma
- Deals with the diagnosis and study of oral diseases, including oral cancers and other pathological conditions.

12/2020 - 03/2021

Larkana, Sindh - Pakistan

Intern Dentist

BIBI ASEefa DENTAL COLLEGE (SMBBMU) UNIVERSITY, LARKANA, SINDH

- Through volunteering in dentistry, I have contributed vital oral care to underserved communities, addressing oral health needs and providing essential treatments.
- By addressing oral health disparities and contributing to the overall well-being, I have been driven by a commitment to ensuring equitable access to healthcare.
