Work Experience

Lifeline Hospital

On call

Resident Medical Officer

- Experienced Pediatric RMO with comprehensive skills in patient history, provisional diagnosis, and medication management. Managed NICU and E.R. patients, assisted in intubations, and provided critical care and patient counseling.

Usman Memorial Hospital

Dec 2022 - May 2024

Resident Medical Officer

- Pediatric RMO for evening shifts and rotations in E.R., general wards, ICU, and NICU.
- Managed patient care from history taking to provisional diagnosis and medication.
- Assisted with intubations and received newborns from the Labor Room/Operation Theatre.
- Provided critical and non-critical care in the E.R. and counseled attendants regarding treatment and guidelines.

Abbasi Shaheed Hospital

July 2021 - July 2022

House Officer

- **Paediatrics Unit 1**
 - House officer in paediatrics ward, managing cases like malaria, dengue, and pneumonia.
 - Gained experience with CPAP and managing shortness of breath in children, along with age-specific medication dosing.
 - Managed emergency patients at Child Life Foundation and handled the Paediatrics outpatient department.
- **Medicine Unit 2**
 - House Officer in Medicine Unit 2, managing critical cases such as dengue hemorrhagic fever, typhoid fever, and chronic conditions.
 - Rotated in Medical ICU, learning ABG sampling, Foley catheter insertion, NG tube placement, and use of BiPAP, with experience in dosing critical drugs.
 - I spent 10 hours weekly in the emergency department.
- **Surgical Unit 1**
 - Gained skills in basic wound dressing and patient examination for accurate diagnosis.
 - Assisted in various surgical procedures, including laparoscopic cholecystectomy, appendectomy, and wound exploration.
- **Burns & Plastics Surgery**
 - Assisted in plastic surgery cases, including tendon repair, skin grafting, and wound debridement.
 - Managed various burn types (chemical, electrical, steam, fire) and learned basic suturing techniques.

Volunteering Experience

H.O.P.E.S(Help Of Patients In Exigency By Students)

Event Director

- Served as Lab Incharge at HOPES Diagnostics and Pharmacy Incharge at HOPES Pharmacy, Karachi Institute of Heart Diseases, each for 1 year.
- Managed and directed HOPES Health Expo 2020 as Event Director.
