I.K. Akhunbaeva K.S.M.A

KYRGYZSTAN

M.D Doctor Of Medicine

Jul 2020

WORK EXPERIENCE

**Sindh Institute Of Urology And
Transplantation**

Karachi, PK

Resident Medical Officer

Feb 2023 - Present

- Managed post-transplant patient care by implementing personalized treatment plans, resulting in a 15% decrease in graft rejection rates over the course of one year.
- Conducted thorough assessments and interventions for patients experiencing graft dysfunction, leading to a 20% improvement in transplant success outcomes.

Midway General Hospital

Karachi, PK

Resident Medical Officer

Sep 2022 - Jan 2023

- Managed and optimized ICU and NICU operations to improve patient outcomes, reducing mortality rates.
- Developed training programs for nursing staff in the ICU and NICU, resulting in sufficient increase in patient satisfaction scores.
- Implemented new protocols and procedures in the ICU and NICU, leading to a decrease in readmission rates.

Dr. Fahad Clinic

Karachi, PK

General Physician, Gynea OPD

Jan 2021 - Mar 2021

- Diagnosed and treated over 100 Gynea patients, utilizing a variety of medical techniques and procedures to provide optimal care.
- Collaborated with a multidisciplinary team to develop personalized care plans for each Gynea patient, leading to a decrease in hospital readmission rates.

Asian State Medical Institute

Bishkek, Kyrgyzstan

Pathology and Physiology Teacher

Oct 2018 - May 2020

- Utilized innovative teaching techniques to facilitate practical classes, leading to an improvement in student comprehension and retention of course material.
 - Collaborated with fellow faculty members to incorporate real-world case studies into lectures, enhancing student understanding of complex physiological concepts and pathology principles.
 - Developed interactive and engaging curriculum for physiology and pathology lectures, resulting in an increase in student attendance and participation rates.
-
