EXPERIENCE

Civil Hospital Sukkur — *House Officer*

MAY 2023 - JUNE 2024

- Worked as a house officer in Civil Hospital Sukkur, where I gained hands-on experience working alongside health professionals to provide patient care.
- Assisted in performing medical procedures and surgeries.
- Worked in hospital emergency rooms under supervisor guidance to quickly and efficiently diagnose, filter, and symptomatically treat patients.
- Took histories, performed physical examinations as per requirement, ordered diagnostic tests and imaging in both inpatient and outpatient departments.
- Organized documentation and streamlined clerical work while working in the diagnostic endoscopy department.

Civil Hospital Sukkur — *Intern*

JUNE 2022 - JULY 2022

Completed an internship at Civil Hospital Sukkur, in which I gained practical experience by closely shadowing senior doctors and assisting in patient care.
