About Me

Registered medical practitioner under PMDC number 798958-02-M

A dedicated and compassionate recent medical graduate, equipped with comprehensive training in both medicine and surgery. Actively pursuing opportunities for professional development to stay at the forefront of my field and contribute meaningfully to the healthcare community.

Experience

May 2023 -
May 2024

Civil Hospital Sukkur | Houseofficer

6 months (medicine and allied)

- Major: Medicine Unit II
- Minor: Neuro medicine
Psychiatry

6months (Surgery and allied)

- Major: Surgery Unit I
- Minor: Neurosurgery

Throughout my training I;

- Attended daily rounds, conducted patient histories, performed physical examination, organized documentation under the supervision of senior physicians
- Gained experience in interpreting diagnostic tests including baselines evaluations and imaging studies

- Developed strong patient communication skills, ensuring that patient understood their condition and treatment options
- Participated in pre-op and post-op patient care
- Performed Diagnostic procedures such as lumbar puncture and blood sampling
- Performed Therapeutic procedures when necessary such as Foley's catheter insertion and NG tube placement
- Engaged in different Case discussions, delivered presentations and attended conferences and seminars to enhance knowledge and professional development
- Worked in Hospital OPD and emergency under supervisor guidance to quickly diagnose and symptomatically treat patients
